# Sama Ahmed

Irvine, CA | ssama5336@gmail.com | linkedin.com/in/sama-ahmedd | github.com/26samaahmed | samahmed.info

#### EDUCATION

# California State University, Fullerton

Bachelor of Science, Computer Science | GPA: 3.63

EXPERIENCE

# Supplemental Instructor

#### California State University, Fullerton

- Lead two sessions weekly to reinforce key concepts in Calculus I for students, resulting in improved student understanding and a 10% average grade increase
- Organize interactive learning activities, including group discussions, to create an engaging and supportive environment for mastering calculus concepts

## IT Academic Technology Center Student Assistant

California State University. Fullerton

- Provide tech support to faculty and staff, resolving hardware and software issues, setting up workstations, and guiding users through troubleshooting
- Resolve **200**+ support tickets using ServiceNow, improving efficiency and user satisfaction

## Projects

## **ACM CSUF Website** | SvelteKit, TypeScript

- Led the development of acmcsuf.com, the largest open-source project for the ACM chapter at CSUF, serving 2,400+ members, by implementing features, fixing bugs, and reviewing pull requests to enhance usability and functionality
- Contributed to the website with **60+** contributors, and redesigned the front-end of acmcsuf.com/quiz using Svelte, resulting in a 20% increase in participation

**PlaylistExporter** | SvelteKit, TailwindCSS, Python, Flask, Spotify API, YouTube API

- Collaborated with a team of 3 to build a website that converts Spotify playlists to YouTube playlists, using OAuth for user authentication and creating private playlists with matching videos
- Used Flask to connect the Python server with the SvelteKit and TailwindCSS interface, ensuring seamless data processing and user interaction

## LEADERSHIP & EXTRACURRICULARS

#### **FullyBeyond** | Web Development Team Lead

- Led a team of 5 to develop the website for CSUF's first student-led 24-hour virtual designation (fullybeyond.acmcsuf.com) using SvelteKit and TailwindCSS
- Collaborated with 11 organizers, attracting 100+ applicants and inspiring participants to explore and grow their design skills

## **FullyHacks** | Co-Director, Design Officer

- Co-design the user interface for CSUF's annual hackathon, FullyHacks 2024, with a 6-person team using Figma, achieving a user-friendly interface across mobile and desktop platforms which attracted 400+ applicants and secured 10 sponsors
- Co-direct FullyHacks 2025 with 3 directors, overseeing 50+ organizers by leading biweekly meetings to track team progress and assigning tasks for teams like web development, design, and marketing to ensure a successful event

#### Association for Computing Machinery | Webmaster, Design Officer

- Led weekly workshops with a team of 7, teaching SvelteKit and design documentation to help students build skills for contributing to open-source projects
- Cultivated a learning environment through design and front-end development workshops, teaching CSS, creative coding, and hosting a portfolio competition that received 25 + submissions
